Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	my only concern is how much higher the tower will go and why it needs to go higher. i know the tower to be the previous mobile phone tower not a radar tower. i have seen the view from the camera already on the tower so would need to be assured that mine and the other cottages privacy is protected.i can only add that it will never be an attractive feature to the area.

Kind regards
