Dear Amanda,

I have to say when I saw the application notice for the proposed site to house Gypsies and Travellers, I thought it was a 'joke' but now I can it is a serious application I must lodge a total objection to this.

I cannot imagine this being treated seriously. It is totally out of character to our village, and the location for this adjacent to the local SEE HOW Public House and its car park will cause continuing problems for our village residents.

This proposal will just be an 'open invitation' to other gypsies to come to our village with their caravans and cause all the associated problems which we have seen elsewhere.

I trust that this application with be turned down immediately.

Yours sincerely
