## Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I strongly object to the erection of this extension as this will block out the light in my flat which is [REDACTED] the building. We had to put up with 8 months of rubbish being dumped, rats and noise when the property was recently gutted for refurbishment.

This additional floor will block out natural light and also privacy into my property

Kind regards
