Reasons for comment:

Comments:	<p>I have recently moved from Meopham but I lived there for most of my life.</p> <p>This plot is beautiful land that has been farmed for generations and can not be seriously considered as anything other than green belt. This area is already very busy especially around the school run. The proposed entry to the site is close to difficult junctions for Green Lane and the parade of shops and a third junction and associated additional traffic would be pose a serious risk to pedestrians especially school children.</p> <p>Local facilities such as the doctors surgery, pharmacy, post office are all stretched to capacity as well as public transport.</p>
