Reasons for comment:

| | |
|-----------|---|
| Comments: | <p>I have recently moved from Meopham after living there for most of my life. This area is clearly green belt having been farmed for generations.</p> <p>Longfield Road is already a very busy road and is often not passable for two cars as residents park both sides of the road. It is close to two schools and is especially busy during the school runs, additional traffic would pose a risk to school children.</p> <p>Local amenities such as the doctors surgery, pharmacy, post office are already operating under stress.</p> |
