### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>Building 120 houses will have a detrimental affect on the character of the village. It will increase noise and light pollution and increase traffic on our already busy roads.</p> <p>The infrastructure isn't in place to cope with potential extra 300 plus people from this application and over a 1000 from the other two.</p> <p>Where are the schools. Where's the doctors surgery?</p> <p>The noise and fumes from all the extra cars is damaging to humans and wildlife. It will heavily impact mental health when we see our beautiful greenspace disappear before our eyes.</p> <p>Where are all the extra people going to shop?</p> <p>The little parade opposite green lane?</p> <p>There's hardly any parking now let alone for potential 200 plus cars from this development and all the extra cars from the other 2 developments.</p> <p>Potentially allowing this application and the other 2 will destroy the village character and well being of the residents.</p> <p>This is a countryside village not a town.</p> <p>We don't want a town otherwise we would live in a town.</p>
-----------	--

Kind regards
