Reasons for comment:	
Comments:	The village is already unable to cope with the population we already have. It is very difficult to get a doctor's appointment and the a227 is at certain times of the day impossibly busy. The road near the proposed site is very narrow and dangerously busy during school drop off and collection times. When viewed alongside the additional housing proposals the potential impact on the village is an increase of the population by a ridiculous amount. The last thing Meopham needs is an influx of people all expecting school places, doctors appointments and journeys to and from work.

Kind regards
