Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application as the area considered is already extremely overcrowded especially during school hours. The parade of shops nearby is always completely full of cars day and night and Longfield Road itself is always extremely congested. I do not feel another 120 houses and the families they will house is feasible in such a busy congested area. Cars are parked halfway down longfield road during school times and I don't believe there is any room anywhere for any more vehicles or people for that matter.

Kind regards
