Reasons for comment:	
Comments:	Blocks access to the school and driving further for access to local hospitals. Limited parking as is, road is next to local shops that already has limited parking and gets congested on daily basis already, this will increase congestion and have knock on effect for anyone driving through and around Meopham. Only 1 crossing point along that road and likely increase in difficulty for school children and members of public to cross, increased risk of pedestrian accidents.

Kind regards
