Reasons for comment:	
Comments:	A few years ago, an application for a rugby club opposite the entrance to Camer Park was refused on the grounds that it would bring too much traffic onto Green lane which is already a busy rat run between the A2 and the M20 via the A227. Nothing has changed that dangerous small country lane that is Green lane. The addition of 300 cars representing the 150 proposed new houses would have a similar impact, in addition to the fact that another 850 houses are being proposed for the other side of Norwood lane with the additional traffic that they would bring. Other objections: inadequate buses, school places, doctors and shops, not to mention the loss of valuable farming land.

Kind regards
