Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Only 1 crossing point near hear and already difficulty with crossing for school children and members of public, increased risk of vehicular and pedestrian accident due to increase in traffic with increase in houses. Effect on views and green space and will make the area more unsightly and less likely for people to want to move and live here. Limited parking already due to parade of shops and garage that is opposite, limited parking in Meopham and this will congested further. Will limit and affect access to local hospitals and A road due to increase in traffic and result in increase danger to locals.

Kind regards
