For the reasons set out in this advice, your proposal constitutes inappropriate development within the Green Belt. It would also have a negative impact on the openness of the Green Belt. In the absence of a sufficiently strong case of very special circumstances this proposal must therefore be seen as contrary to existing Green Belt policy as set out in the NPPF and Policy CS02 of the Core Strategy.

In addition, it has been shown that the proposal would have an adverse impact on the landscape character of this area and would not be in a sustainable location.

For the reasons set out in this letter, your proposal is unlikely to be considered favourably if submitted for planning permission.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
