Reasons for comment:	
Comments:	The level of traffic and parking in the vicinity is always high, and is made even worse at school times with traffic, parents and children dropping off and picking up for the Helen Allison School, Meopham Community Academy , and Meopham Secondary School, which causes so much congestion that it makes it almost impossible to get out of Cheyne Walk and get to my place of work in Cobham without spending at least 15 minutes in queuing traffic. The addition of more houses, more cars, more children will make an already difficult situation even more difficult and potentially dangerous, particularly as many cars coming from the Longfield direction tend to arrive at the junction with the Wrotham Road at speed.

Kind regards
