Reasons for comment:	
Comments:	<p>The road system of the A227 running through the village does not allow for further development on a big scale as there are already long ytraffic jams and congestion daily at rush hours. Tjis proposed development is adjacent to a dangerous and already heavily congested junction.</p> <p>Thete is not sufficient infrastructure in meopham to cater for the numbet of people and vehicles which would come.</p> <p>Brown field sites should be used ahead of swallowing green belt.</p>

Kind regards
