Reasons for comment:	
Comments:	Objection to proposed Wrotham Road project 2025 0992. This project is so unsuitable in this area traffic is already chaotic. I am and p.m. school runs et cetera. Consideration is required to the rat run traffic when Dartford crossing is backed up M25 M20 A227 A2 to Gravesend Cutting across this village with HGVs and huge amount of cars to disregard the traffic issue is a gross negligence just to appease government targets rather than local community concerns

Kind regards
