Reasons for comment:

Comments:	<p>I object on the grounds that this is using prime agricultural land and green belt land should never be used.</p> <p>I also feel the additional stress on overstressed local services such as GP, schools and hospitals in the area is unacceptable.</p> <p>We also told that water resources at times during the summer become overstretched yet additional houses bring additional stress on a supplies and sewage.</p> <p>I also object that the additional traffic due to extra cars, vans and lorries related to these new properties.</p>
