Reasons for comment:	
Comments:	I object to this planning application due to its scale as, in combination with the two other current applications in this area, it would substantially change the character of this village. Green belt land would be encroached on. There would be too much pressure on local services - the doctors' surgery is already very busy and parking near the shops is difficult. I also have concerns over road safety with increased traffic as most of the roads leading off the A227 are country roads, often narrow with no pavements, but used by horse riders, cyclists and pedestrians.

Kind regards
