| Stance:              | Customer objects to the Planning Application   |
| Reasons for comment: |  |
| Comments:            | I am opposed to this planning application as, in combination with the other two current applications for large scale developments nearby, the character of the villages of Meopham and Sole Street would be significantly changed. The development encroaches on green belt land, and would link the villages of Meopham and Sole Street, with the loss of the individual character and identity of each. In addition to this, the local services could not cope with the sudden increase of so many households (the doctors' surgery is already very busy and parking at the local shops is extremely difficult). I am also very concerned about safety on the surrounding roads with increased traffic, as many are narrow and without pavements but are used by horse riders, pedestrians and cyclists. |

Kind regards
