Reasons for comment:	
Comments:	<ol style="list-style-type: none"><li>1. In 2010 It used to take me 5 minutes to access Wrotham rd from Huntingfield road to go to Gym. Now it takes me 15 minutes due to increase in traffic on Wrotham road. With another 350 homes built here I will have to walk to my Gym at Meopham medical centre. I object to this reducing my life span</li><li>2. Its already congested between Meopham parade of shops to the Church during school runs its likely to get even worse . The road near George pub is narrow and this will create a pinch point for a lot more cars and delivery vehicles creating accident spot.</li><li>3. The traffic speed will have to be reduced to 20mph to accommodate more traffic and avoid accidents.</li><li>4. It will be impossible to walk to Camer park from Huntingfield road due to sheer traffic. Further reducing quality of life for Meopham residents</li></ol>

Kind regards
