Reasons for comment:	
Comments:	The proposed application for 350 houses would cause danger by way of access to the houses and additional cars accessing onto the A227 the land is present at present farm land. The parade of shops has already caused it to be an accident black spot. The section of the Wrotham Road is constantly full of parked cars. It will bring about additional traffic onto the busy A227 Road the land is at present Green belt the additional occupants of any development will provide additional strain on the already overstretched GP and NHS services

Kind regards
