Reasons for comment:	
Comments:	<p>In this time of uncertainty in the world we should not be building on productive farmland.</p> <p>There is no mention of ancillary services. Meopham school has been extended but again is full. Parking at the school road area causes a real hazard to all users.</p> <p>Meopham itself is already crowded, this and the two other planning applications can only result in less convenience and a lower quality of life for all, including newcomers.</p> <p>If one were planning safe vehicular access to Wrotham Road this is not where it would be situated.</p>

Kind regards
