Reasons for comment:

Comments:	<p>I have lived in Meopham for over 30 years and am shocked and appalled at these plans. The area proposed is a beautiful green space, vital for local wildlife. It's surrounded by country lanes that can barely sustain current traffic. The parade of shops opposite is absolute chaos from the morning until evening now due to parents parking and not enough spaces for the cafe there. People park illegally on the road obstructing views and make it very dangerous for motorists, pedestrians and cyclists. It also means that I can no longer find a parking space there to buy anything from the shops anymore so have to travel all the way to Longfield. Imagine adding in even more homes and people, it's unthinkable and dangerous. Meopham is at breaking point with roads (full of potholes), GP appointments full, school places, parking impossible. It just cannot sustain any additional houses being built on such a large scale as the proposed development. Not only will it destroy beautiful countryside, irrevocably damaging the green belt and character of a historic village but it will also push Meopham's infrastructure to breaking point and make Meopham unliveable for its residents.</p>
