| Reasons for comment: |  |
| Comments:            | I have lived in Meopham for over 30 years and am shocked and appalled at these plans. The area proposed is a beautiful green space, vital for local wildlife. It will irrevocably change a beautiful area and also change the heart and character of Meopham from a country village to a sprawling town without the amenities and infrastructure to support its residents.   |
|                      | Meopham is at breaking point with roads (full of potholes), GP appointments, school places, parking. It just cannot sustain any additional houses being built on such a large scale as the proposed development. Not only will it destroy beautiful countryside, irrevocably damaging the green belt and character of a historic village but it will also push Meopham's infrastructure to breaking point and make Meopham unliveable for its residents. |

Kind regards
