Comments:	I lived in Meopham for over 20 years and my family still lives there. I am shocked and appalled at these plans. The area proposed is a beautiful green space, vital for local wildlife. It's surrounded by country lanes that can barely sustain current traffic. Meopham is at breaking point with roads (full of potholes), GP appointments, school places, parking. It just cannot sustain any additional houses being built on such a large scale as the proposed development. Not only will it destroy beautiful countryside, irrevocably damaging the green belt and character of a historic village but it will also push Meopham's infrastructure to breaking point and make Meopham unliveable for its residents.

Kind regards
