Reasons for comment:	
Comments:	<p>It seems the only person that will benefit if this proposal goes ahead is the landlord who is cramming more people into a space wholly unsuitable for the purpose.</p> <p>Is it fair that one person, who maybe doesn't even live in the immediate area, profits at the expense of residents in the neighbourhood who will be affected on a daily basis with unauthorised use of private alley access, likely parking issues and extra noise pollution to party wall sharers.</p>

Kind regards
