KCC Heritage 17.7.25

Thank you for consulting us on this application.

The site lies within an area of multi-period archaeological potential. I defer to your Conservation Officer with respect to the built heritage and Listed Building aspects.

Based on existing Historic Environment Record data for the area and the relatively limited extent of the proposed works, I consider it unlikely that these proposals would have a significant below-ground archaeological impact and have no further comments to make in this case.
