and being **Demolition of existing conservatory, toilet block and storage block to proposed a rear orangery and a single storey side extension along with internal alterations.**

Your application dated 26th February 2024 is refused on the following grounds:-

1. The proposed development is considered to comprise inappropriate development in the Green Belt by virtue of its disproportional appearance in terms of its scale, and causing detriment and greater harm to the openness of the Green Belt. It would therefore would not comply with paragraph 154(c) and 154(g) of the NPPF (2023) and, Policy C13 of the Gravesham Local Plan First Review (1994) and Policy CS02 of the Core Strategy Local Plan (2014). No very special circumstances have been submitted which would outweigh the harm to the Green Belt by reason of inappropriateness. As such, as per paragraph 152 of the NPPF (2023), this inappropriate development should not be approved.
2. The proposed development would result in non-subservient extensions which would have an incongruent appearance in this rural setting as a result of its scale, design and form and would be harmful to the National Landscape. It would not comply with the requirements of Policies CS12 and CS19 of the Core Strategy 2014, and Section 12 and 15 of the NPPF (2023), in terms of design, character, appearance and landscape.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**

<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
