Reasons for comment:

Comments:	Dear Sir, I object to the change of use of the land for the stationing of 8 mobile homes for gypsy and traveller use, erection of associated day rooms, soft landscaping and laying of hardstanding (part retrospective) for the following reasons - 1. For many, many years, this was a typically green field, but now it has been changed with mobile homes, 6/7' high fences, electric gates, and the ambience has completely changed by people taking the law into their own hands and doing what they like with no respect for others, the countryside or the law! 2. They may have a right to family life, like everyone, but if they want that, then they have to abide by the law of the land, as the majority of people do! 3. They have covered the field in tarmac when it is green belt land. 4. There is an enforcement order covering this land with a stop notice attached preventing the ongoing work from continuing. All this has just been ignored. 5. There has been an injunction on this land since 2009, and as far as I am aware, it is still in place which prevents any building on it. Again, this injunction has been ignored! 6. Gravesham say that more sites are needed for travellers etc, but the planning committee do not appear to have a plan. When I emailed the two councillors for Cobham last year, asking what was happening re all the unfinished 'building sites' in Gravesend, I never received even an acknowledgment! 7. As you have guessed, I strongly oppose this development because of the reasons listed above and because those who break the law, should not benefit from doing that - breaking the law!
