Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This green field site has been extensively covered in tarmac, fenced in with 8' fencing, septic tanks installed, all of which require planning consent which has been refused in the past and the current application is being submitted retrospectively. There are reports of flytipping in the area since the travellers moved in, causing extensive damage to mature trees along White Post Lane, together with reports of burning rubbish. If rate payers have to apply for PP and are not permitted to start building works without approval, why is this community allowed to flagrantly bend the rules and carry on regardless - one rule for us and one for them should not apply and action needs to be taken as a matter of urgency.

Kind regards
