

20250283 Vine Cottage 5 Henley Street

KCC Heritage 10.4.25

Thank you for consulting us on this application.

The site lies within an area of multi-period archaeological potential. However, based on existing Historic Environment Record data for the area, the previous arable cultivation of this field, and the relatively limited extent of the proposed works, I consider it unlikely that these proposals would have a significant below-ground archaeological impact and have no further comments to make in this case.
