Dear Sirs

Re 136 Timber Bank, Vigo, Gravesend, DA13 0SW
Works to protected trees: T2 Oak Tree to be felled due to Ash
Dieback and very poor condition. Ref: GR/2026/0171

In the Society's view, if practical, the oak should be saved. The infected parts should be cut out and burnt and the tree should be trimmed to reshape. Any cut ends should be treated to reduce the risk of further infection.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
