Reasons for comment:	
Comments:	Parking is restricted on Coombe Road already and having 7-8 further cars potentially parking on our road will cause us further strain. It is difficult to find parking on our road without the need to add more people to the roster. It's completely unnecessary to allow an 8 bedroom HMO, that is no way to live for the residents of the HMO let alone the residents of Coombe Road. We have an autistic son who has limited awareness of danger and having to park further away from our home will put us under a great deal of anxiety having to walk from a road or two away.

Kind regards
