Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I believe this is a terrible idea, which further affects the residents of Coombe road, we who live on Coombe road find it difficult enough to find parking for our vehicle, this will surely add even more congestion to the road, residents with small children mostly have to park away from their property or sometimes even block the road in order to get their children out the car in a safely manner.

Kind regards
