Reasons for comment:	
Comments:	With limit parking available, this would impact on Clarence Place and the surrounding roads. On the occasions I've dropped my mother off at the Veterans Hall it's not an option to pull into a space near the hall for someone who has limited mobility. The green space houses wildlife which would be impacted by the building being erected. With numerous properties in and around Gravesend which could be converted to flats why build on green space.

Kind regards
