

As you have requested a floor plan I have not been able to locate a floorplan of the house.
The application is for the kerb to be dropped.
I have attached some photos as I wasn't able to attach images as a document.
I am happy to discuss my application further. I would like the dropped kerb extended to allow both cars to access the drive without having to bump up and over constantly.
I look forward to hearing from you.
Many thanks,
Lisa Crossland
