Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Demolition works (removal of trees and habitat) have commenced prior to any approvals, this can obviously not be reversed, far more land than shown on the associated plans has been taken and it would appear that clearing works and fencing has already commenced on this. The proposals are not befitting to the area and will affect local residents and their properties. There were not any existing structures on the land and as such on other vacant plots to the area permission has not been granted. Further works should be stopped until agreement is granted or refused.

Kind regards
