Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the housing development west of Norwood lane. The developer is intending dangerous access for cars onto a small rural lane. There would be an increase in air pollution in the area. This is greenbelt land which has not been released from the Greenbelt boundary. This is high grade farmland which in turn contributes to food production for our nation. Local side routes are totally inadequate to support diversions when required. Meopham is a village, I do not wish it to become a town and loose its rural character.

Kind regards
