Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>This site is high grade agricultural land producing local produce which is extremely important for for everyone concerned.</p> <p>The site on Longfield Road is in my opinion not suitable for access to building work because the road is very narrow with residential cars parked either side of the road and school children including some with special needs crossing which would obviously be very dangerous.</p> <p>I 100% totally object to this application .</p>

Kind regards
