Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I strongly object to the proposed building of 350 houses on Wrotham road opposite the parade of shops. This is a Greenbelt area high in wildlife and is already severely impacted by traffic on the main road of the A227 in several areas which include three schools and the dangerous junction to the Longfield road. Additionally we have traffic entering and exiting the car parking area alongside the parade of shops. There is a potential for a huge number of extra vehicles owned by the proposed owners of the new housing. In addition to these extra vehicles we have a huge number of parked vehicles alongside Meopham community academy and also nursery school and primary school. This parking already give us all great concern on the potential for accidents involving our children and parents. This is very severe for several hours at school opening times and pickup times.
