## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>The amount of traffic and congestion will cause a major problem to the village, we have recently moved to Meopham from a busy town for a quiet place to live to get away from a noisy area congested with heavy traffic and on a personal level bad for our mental health and our recent retirement.</p> <p>The parade of shops is already extremely busy for access and would make it even more dangerous than it already is,also there are two schools directly opposite causing stress and anxiety to children and parents.</p> <p>This an absolutely ridiculous proposal and totally object to this application.</p>

Kind regards
