Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Absolutely there should be an EIA. This proposal is for approximately 400 residential properties. The area is not geared up for all the additional Residents with the current infrastructure. There is only one doctors surgery, limited schools and parking, not to mention that the area proposed to be built on is rich in wildlife and geenery. The report is a necessity.

Kind regards
