Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to a development of 350 homes due to the number of houses and the impact this size of project will have on the village. I do however, support a development for 120 homes as I understand the need for more homes and would like for Meopham to remain as a village with a small caring community's. Regards

Kind regards
