Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I completely support this planning application. After evaluating the travel plan, transport statement and noise surveys it's clear that there won't be issues with parking or noise disturbance. The building is within walking distance of many car parks and easily accessible for families, youth and elderly living nearby. Even if people were to travel from far, there are enough car parks to facilitate this comfortably.

Kind regards
