Reasons for comment:

Comments:	I am looking forward to this academy opening and I am so pleased that an organisation of this quality now has a suitable location to operate from. I do not agree that the public house being lost is a loss to social infrastructure as I believe that the facilities being offered by Al Haqq Academy, amongst other things being peaceful prayer and teaching, are far more impactful and enhance the social infrastructure of Gravesend. This scheme is perfect for the youth and gives a purposeful location for people to learn and thrive in the community. It is walking distance from my house and I will be taking my children there of an evening as it is comfortably accessible. I have many friends in the area and we are all pleased that we have something in walking distance to take our children to.
