Reasons for comment:	
Comments:	I strongly support this planning application. The pub was for sale for several months and years and it was not sold, especially shown in the viability assessment. It's obvious that pubs in the current climate are dying out simply because they have very little value in the social infrastructure of the town. The people prefer grassroots organisations that contribute to the town and give people a place to go to learn, develop, thrive. This scheme will be an excellent addition to Peacock Street and the local area and really it will be a huge improvement on what was there before.

Kind regards
