Reasons for comment:

Comments: I object to the conversion of this property to flats as there is no parking associated to the proposal. the nearest street with on street parking is Edwin Street and it is already challenging to park as many of the properties have been already converted to flats and as a result has generated more cars that require an on street parking.
The addition of more flats in the vicinity will only add to this problem with a potential of 7 additional vehicles needing on street parking spaces.
Parking is becoming impossible at the moment.
I strongly oppose.

Kind regards
