Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm all for farming around our small village and that this may need supporting structures, but a structure of this size with the access requirements on a single lane road is not appropriate. The people who live in our village care about the green belt and did not have a say to the development of such a large structure, this is not ok.

Kind regards
