Reasons for comment:	
Comments:	Whilst I appreciate new homes are needed, this development is clearly not suitable for so many new homes. The infrastructure such as lack of transportation, will force so many additional cars in the area it will be overwhelmed. Local Surgery and Hospitals can't cope. Schools are full and the new school proposed doesn't appear to be suitable for children 5 years to senior. Can the water company supplying the area cope with such old pipelines etc. please re think this

Kind regards
