Reasons for comment:	
Comments:	I would like to object to this New Mcdonald's being built so near a school and a park. The town already has two Mcdonald's do we really need another one. My main concern is the for the health of the school children who will be hugely affected by this fast food restaurant. This will add more pressure on our already stretched NHS services. The local residents will suffer from the increase in traffic not to mention the litter and antisocial behaviour. The Council should look at this application not to make huge sum's of income but look at the environmental damage these fast food chains cause. This building would serve the community better as a pub / restaurant.

Kind regards
