Reasons for comment:

Comments: We already have 2 McDonald's in close proximity. Wrotham Road is already busy with traffic and this will cause even more traffic. Due to two sets of traffic lights which are not far apart. There is a secondary school nearby and a focal point for children to hang out could cause anti social behaviour which would be difficult for the school to manage. School children will also be inclined to consume more junk food. Rubbish in the nearby park. Lack of privacy and light pollution for the residents living opposite.

Kind regards
